Conditions of Sale

TERMS: When order is accompanied by cash in full, a discount of 5% will be allowed from printed rates.

To customers with known or approved credit rating, net 30 days, 2% 10 days.

C.O.D. orders must be accompanied by at least 25% deposit.

PRICES: The prices in this list are intended only for the wholesale trade and are subject to change without notice.

These prices are based on truck-load or car-load lots, without crating. Smaller shipments of lining-out or bare-root stock will be packed at cost but we cannot accept orders for B&B stock where crating is required.

CLAIMS: All claims must be made immediately on receipt of stock. We shall be glad to rectify any mistake made by us, but in no instance will our liability be more than the purchase price.

TRANSPORTATION: Please state whether you want your shipments by Express, Freight or Motor Freight. We make no charge for delivery to railroad station, but our responsibility ceases when goods are turned over to carrier, and risk and cost of transportation belong to purchaser.

CAUTION: All orders are accepted subject to growth of stock and to seasonal and other conditions not under our control.

All prices in this list are NET except as follows:

1. Cash, in full, with order earns a 5% discount from list prices.
2. Cash in ten (10) days from date of invoice earns 2% discount from list prices.
3. All prices thereafter are strictly NET 30 days.

Kurume Azaleas (L.H.) 8 to 10 in.

A Z A L E A S

Azalea indica

INDICA & HARDY JAPANESE AZALEAS (Field Grown)

Elegans. Large, single, light pink. Growth habit similar to Formosa. Vigorous and upright. Very early.

Fielder's White. Large, single, pure white flowers. One of the best whites. Midseason.

Formosa. Very fast grower, with large dark leaves and big, purplish pink flowers. Midseason.

Judge Solomon. A pink sport of Formosa, with same foliage and habit of growth, but flowers are almost identical to Pride of Mobile. Midseason.

Kaempferi. Very hardy, fast-growing Azalea that can stand the winters of Boston. Flowers large, single, rose-pink. Late.

Pres. Clay. A vigorous grower of upright habit. Flowers single, orange-red. One of the hardiest of the Indicas. Midseason.

Pride of Mobile. One of the best selling and most popular of all the Indicas. Flowers beautiful watermelon shade of pink. Midseason.

	10	100
6 to 8 in., bed-grown liners		\$11.00
10 to 12 in.	8.00	75.00
12 to 15 in.	11.00	100.00
15 to 18 in.	14.00	125.00
18 to 24 in.	19.00	175.00

Prices on all our Azaleas are based on shipping without using burlap about the roots. They can be safely shipped and transplanted in this way, and the saving in labor and material costs enables us to offer these plants at these reasonable prices.

CAMELLIAS

- Chandleri Elegans.** Large, cherry-red with white variegations. Midseason. Excellent.
Debutante. Large, peony form, shell-pink. Early.
Herme. Loose peony form, variegated. Midseason.
Pink Perfection. Double, beautiful shell-pink. Early.
Prof. C. S. Sargent. Peony form, solid crimson. Mid-season.
Victor Emmanuel. Very large, peony form, deep red. Midseason to late. Beautiful.

RARE CAMELLIAS, Grafts

Mrs. D. W. Davis. Sensational new variety originated by D. W. Davis of Seffner, Florida. The flowers are extremely large (6½ inches across), blush-pink. Blooms December through February.

Each

1 year grafts	\$ 7.50
2-year grafts	10.00

RARE CAMELLIAS, Grafts

GROUP 1

Donation. A cross between *Camellia saluenesis* and *Donckelari*. Flowers semi-double, pleasing soft rose in color, 4 to 5 inches in diameter.

Drama Girl. Semi-double, deep salmon-rose-pink with prominent stamens. Flower large (5½ to 6½ in). Vigorous grower. December to April.

Eclatante. Large, semi-double, deep pink. Vigorous grower, upright and compact. Midseason.

Emily Wilson. Incomplete double with mixed petaloids. Light pink, fading to color of Martha Brice at edges. Midseason.

Faith. The rose-pink flowers are 5 inches in diameter, with petaloids slightly variegated white. Rapid, up-right grower.

Irene Coker. White, striped with medium pink, with an occasional white flower. Early to midseason.

Mathotiana Supreme. Very large, semi-double sport of *Mathotiana*. Red. Excellent. Midseason.

Pink Champagne. Incomplete double, with large petaloids. Flower 5 to 5½ inches in diameter and 3 to 4 inches deep. Soft pink in color. Late.

Princess Elizabeth. Blush-pink on outer petals; white, inner petals with white stamens. Large, peony form, with regular outer petals and irregular inner petals.

Tomorrow. Flowers very large, 5¼ to 6 inches in diameter; a beautiful shade of red. Midseason.

Wildwood. Large, semi-double to peony form, light orchid-pink. Upright, compact. Midseason to late.

Willie Hite. Light pink, shading to deeper pink at the edges. Similar in form to *Berenice Boddy* and *Magnoliaeflora*. Growth upright and columnar. Said to be extremely hardy.

Each

12 to 18 in. (grafts) B&B	\$5.00
18 to 24 in. (grafts) B&B	6.50
24 to 30 in. (grafts) B&B	8.00

ILEX OPACA (American Holly)

American Hollies are fast becoming America's most popular plants. Those listed below are all named varieties of tried and proved worth and should not be compared with seedling or unnamed sorts.

Croonenberg. A Greenbrier introduction. Upright, compact grower with fine dark green foliage, above average in size and very spiny. Berries of good size and fine red color.

Howardi. Foliage very dark and glossy. Berries red and attractive.

Savannah. A fast grower, columnar and upright in habit. Very handsome and fruitful, with red fruit well displayed.

Taber No. 3. A very distinct and outstanding variety. Growth slender and pyramidal, retaining this form without pruning. Foliage large and spiny. Showy, large, bright red fruits.

	Each	10	100
